Street: Bellevue Street
Intersection: Albion Street
Description of Work: Continuous footpath treatment
Closure Period: 15 November to 22 November 2023

The intersection will be closed 24 hours while works are being undertaken.

Access to properties via a detour will be maintained during these periods, with local residents/occupants being permitted to access their properties with traffic control assistance. The closure of the lane will not be continuous but only when construction needs to take place to progress work. Normal conditions will be in place for as long as possible.

The City will take all steps to minimise impacts however; there may be machinery noise, temporary restrictions to traffic movements and parking and alternative pedestrian access. We appreciate your cooperation during this period.

In the event of bad weather, the City's contractors will try to start the work the following day. If unsuitable weather continues, we will notify you of a change in date.

Thank you for your patience.
