Our Ref: 10461904

Maintenance Work - Darlinghurst

We will soon start drainage maintenance work **Boundary Street between Lindsay Lane and Dillon Street, Darlinghurst**. These works will help improve stormwater drainage in the area.

Type of work: stormwater drainage pipe replacement
Start date: Wednesday 14 September 2022
Duration: two weeks
Working hours: 7:30am to 5.30pm - Monday to Friday
7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
