## **Day Works Street Improvements – Daniels Street, Ultimo**

We are starting work to improve the footway in **Daniels Street between Shepherd Street and Moorgate Street.**

**Type of work:** footpath renewal and access ramps  
**Start date:** Thursday 9 September 2022  
**Duration:** one week  
**Working hours:** 7:30am to 5.30pm - Monday to Friday  
7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
