Day Works Street Improvements – Ivy Street, Darlington

We are starting work to improve the footway and access ramps in **Ivy Street between Boundary Street and Shepherd Street and at intersections of Calder Road and Lander Street.**

Type of work: footpath renewal and access ramps
Start date: Tuesday 6 September 2022
Duration: one week
Working hours: 7:30am to 5.30pm - Monday to Friday
7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
