Day and Night Works Street Improvements – Pyrmont Bridge Road, Pyrmont

We are continuing work to improve the footway on **Pyrmont Bridge Road between Harwood Street and Murray Street.**

Type of work: footpath paving
Start date: Monday 27 June 2022
Duration: five days
Working hours: 7:30am to 5.30pm - Monday to Friday
8.00pm to 5.00am - Monday to Wednesday

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

Noisier works will be completed before 11.00pm during night works.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
