

4 August 2021

Our Ref: 10503504

Work in your street
Day Works – Street Improvements – Pitt Street, Haymarket

We will continue works to improve Pitt Street between Goulburn Street and Campbell Street, Haymarket.

Street: Pitt Street, Haymarket
Section: Goulburn Street to Campbell Street
Type of work: New granite footpath and driveway paving
Start date: 9 August 2021
Duration: Two months
Working hours: 7.30am to 5.30pm – Monday to Friday
7.30am to 3.30pm – Saturday

Night works will be staged throughout the project and a letter notification will be distributed to the community of exact dates prior to these works.

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
