Work in your street

Day Work – Street Improvements – Cook Street, Glebe

We will soon start works to improve the footpath, kerb and gutter between 18A and 26 Cook Street, Glebe.

Street and section:	18A to 26 Cook Street, Glebe
Type of work:	Concrete footpath, raise and relay existing sandstone kerb and concrete gutter
Start date:	11 November 2021
Duration:	Three weeks
Working hours:	7.30am to 5.30pm – Monday to Friday 7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
