## Work in your street

### Day Work – Street Improvements – Harris Street, Ultimo

We will soon start works to improve Harris Street, Ultimo between Macarthur Street and Mary Ann Street.

<b>Street:</b>	Harris Street
<b>Section:</b>	Macarthur Street to Mary Ann Street
<b>Type of work:</b>	Asphalt footpath, fixing any damaged kerbs and gutters and improving access ramps
<b>Start date:</b>	19 January 2022
<b>Duration:</b>	Six weeks
<b>Working hours:</b>	7.30am to 5.30pm – Monday to Friday 7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
