Work in your street
Day Work – Street Improvements – High Holborn Street, Surry Hills

We will soon start works to improve High Holborn Street between Goodlet Street and Cleveland Street, Surry Hills.

Street: High Holborn Street
Section: Goodlet Street to Cleveland Street
Type of work: Concrete footpath, kerb, gutter and roadway
Start date: 5 October 2021
Duration: Two weeks
Working hours: 7.30am to 5.30pm – Monday to Friday
7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
