## Work in your street

### Day Work – Street Improvements – Little Queen Street, Newtown

We will soon start works to improve Little Queen Street between King Street and Campbell Street, Newtown.

**Street:** Little Queen Street, Newtown  
**Section:** King Street to Campbell Street  
**Type of work:** Concrete footpath renewal  
**Start date:** 8 October 2021  
**Duration:** One week  
**Working hours:** 7.30am to 5.30pm – Monday to Friday  
7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
