**Work in your street**  
**Night and Weekend Works – Street Improvements – Phillip Street, Sydney**

We will soon start works to improve Phillip Street between Bridge Street and Bent Street.

<b>Street:</b>	Phillip Street, Sydney
<b>Section:</b>	Bridge Street and Bent Street.
<b>Type of work:</b>	New granite footpath, driveway and repairing damaged kerb and gutter.
<b>Start date:</b>	25 May 2020
<b>Duration:</b>	Six weeks
<b>Working hours:</b>	8pm to 5am – Monday to Friday 7.30am to 5.30pm - Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
