Work in your street

Day Work – Street Improvements – Victoria Street, Newtown

We will soon start works to improve Victoria Street between O'Connell Street and Hordern Street, Newtown.

Street:	Victoria Street, Newtown
Section:	O'Connell Street and Hordern Street
Type of work:	Concrete footpath, kerb, gutter and roadway
Start date:	8 October 2021
Duration:	Two weeks
Working hours:	7.30am to 5.30pm – Monday to Friday 7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
