STREET IMPROVEMENTS – WHITEHORSE STREET, NEWTOWN

This letter is to notify you that the City will be temporarily closing Whitehorse Street between King Street and Smiths Lane, Newtown.

The details of the work to be undertaken are as follows:

Street:	Whitehorse Street
Section:	King Street to Smith Lane
Closure dates:	20 June to 7 July 2022
Description of Work:	Underground electrical work, removal of time street lighting poles, installation of new pedestrian light pole and footpath and road restoration
Working Hours:	7:30am to 5:30pm - Monday to Friday 7:30am to 3:30pm - Saturday

Access to properties via a detour will be maintained during these periods, with local residents/occupants being permitted to access their properties with traffic control assistance. Your co-operation in making alternative arrangements where possible will assist us in a swift return to normal conditions.

The closure of the lane will not be continuous but only when construction needs to take place to progress work. Normal conditions will be in place for as long as possible.

The City will take all steps to minimise impacts however; there may be machinery noise, temporary restrictions to traffic movements and parking and alternative pedestrian access. We appreciate your cooperation during this period.

In the event of bad weather, the City's contractors will try to start the work the following day. If unsuitable weather continues, we will notify you of a change in date.

Thank you for your patience while we complete these important works.
