Night Work - Street Improvements – Chalmers Street, Surry Hills

Sydney Civil will continue work to improve **Chalmers Street at the intersection of Bedford Street, Surry Hills**. These works will increase pedestrian, bike and public transport access while improving safety and greening our streets.

Street: Chalmers Street, Surry Hills
Intersection: Bedford Street
Type of work: Underground trenching and road restoration
Start date: 19 April 2021
Duration: Four nights
Working Hours: 8pm to 5am – Monday to Thursday

Please note that noisier works will cease by 11pm each night.

We will take all steps to minimise any impact on you, however there will be some machinery noise, temporary restrictions to parking and alternate pedestrian access.

In the event of wet weather, the City's contractor will try to start the work the following day. If unsuitable weather continues, we will notify you of a change in scheduling.

Access to properties in the street will remain and we will contact you if we need to restrict access to progress part of the works.

Please note that the safety of our community, customers, staff and contractors, is our top priority. Rescheduling of works at short notice because of the current Covid-19 global pandemic may be required.

Thank you for your cooperation while we carry out these important works.

More information

For information on the site, and its impacts on you, please contact Sydney Civil's community relations team on 1300 997 858 or email community@sydneycivil.com

Yours sincerely

Winston Zhu
Project Coordinator
