Work in your street
Night Work – Street Improvements - Clarence Street, Sydney

Sydney Civil will continue works to improve Clarence Street, Sydney at the intersections of Barrack, Erskine and Margaret Streets.

Street: Clarence Street, Sydney
Intersections: Barrack, Erskine and Margaret Streets
Type of work: Removal of redundant street lighting poles
Start date: 29 March 2021
Duration: Three nights
Working Hours: 8pm to 5am – Monday to Wednesday

We will take all steps to minimise any impact on you, however there will be some machinery noise, temporary restrictions to parking and alternate pedestrian access.

In the event of wet weather, the City's contractor will try to start the work the following day. If unsuitable weather continues, we will notify you of a change in scheduling.

Access to properties in the street will remain and we will contact you if we need to restrict access to progress part of the works.

Please note that the safety of our community, customers, staff and contractors, is our top priority. Rescheduling of works at short notice because of the current Covid-19 global pandemic may be required.

Thank you for your cooperation while we carry out these important works.

More information

For information on the site, and its impacts on you, please contact Sydney Civil's community relations team on 1300 997 858 or email community@sydneycivil.com

Yours sincerely

Winston Zhu
Project Coordinator
