## Street Improvements – Church Street, Newtown

We will start work to improve **Church Street from King Street to Crooks Lane and from Brown Street to Rochester Street, Newtown.**

**Type of work:** kerb, gutter, footway and roadway  
**Start date:** 15 November 2023  
**Duration:** two weeks  
**Working hours:** 7.30am to 5.30pm – Monday to Friday  
7.30am to 3.30pm – Saturday

Some night works will be required, further notification will be provided to the community.

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
