

13 October 2023

Our Ref: 10712136

Stormwater Improvements McDonald Street and Grantham Lane, Potts Point

We will soon start work to improve the drainage **in McDonald Street and Grantham Lane, Potts Point.**

Street and Section: McDonald Street at McDonald Lane
Grantham Lane at St Neot Avenue

Type of work: stormwater pit and pipe relining

Start date: 20 October 2023

Duration: two weeks

Working hours: 7.30am to 5.30pm – Monday to Friday
7.30am to 3.30pm – Saturday

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
