Work in your street

Night – Street Improvements – Goulburn Street, Haymarket

Sydney Civil will soon start works on your street on behalf of the City of Sydney.

Street: Goulburn Street, Haymarket
Section: George Street to Dixon Street
Type of work: replace existing asphalt footpath with granite paving
Start date: 16 August 2023
Duration: three months
Working hours: 8pm to 5am – Sunday to Thursday

Kerbside parking will be restricted during this time. Thank you for your cooperation in making alternative parking arrangements so we can complete the works as quickly as possible.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

We will work to minimise disruption to residents and traffic.

Thank you for your patience while we complete these important works.
