Night Works Street Improvements – Kent Street, Sydney

Sydney Civil will soon start work to improve **Kent Street between Liverpool Street and Margaret Street, Sydney.**

Street: Kent Street, Sydney
Section: Liverpool Street to Margaret Street
Type of work: Installation of bench seats and litter bins
Start date: 12 April 2021
Duration: Installations to be spread across six weeks
Working hours: 8pm to 5am – Monday to Thursday

We will work to minimise impacts during this time, however there will be some machinery noise but that will cease before 11pm each night.

If there is wet weather, our contractors will try to start the work the next night. If unsuitable weather continues, we will update you on any changes to the schedule.

Full access to properties in the street will remain throughout the works.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
