

16 October 2020

Our Ref: 10198060

Day Work - Street Improvements - Sussex Street, Sydney

Sydney Civil will soon start work to improve **Sussex Street, Sydney between King Street and Market Street, east side**. These works will replace the existing footpath with new granite paving.

Street:	Sussex Street, Sydney
Section:	King Street to Market Street
Type of work:	Granite footpath, driveway and fixing damaged kerb and gutter
Start date:	19 October 2020
Duration:	Two months
Working Hours:	Monday to Friday – 9am to 3pm Saturday – 7.30am to 3pm

We will take all steps to minimise any impact on you, however there will be some machinery noise, temporary restrictions to parking and alternate pedestrian access.

In the event of wet weather, the City's contractor will try to start the work the following day. If unsuitable weather continues, we will notify you of a change in scheduling.

Access to properties in the street will remain and we will contact you if we need to restrict access to progress part of the works.

Please note that the safety of our community, customers, staff and contractors, is our top priority. Rescheduling of works at short notice because of the current Covid-19 global pandemic may be required.

Thank you for your cooperation while we carry out these important works.

More information

For information on the site, and its impacts on you, please contact Sydney Civil's community relations team on 1300 997 858 or email community@sydneycivil.com

Yours sincerely

Winston Zhu
Project Coordinator
