**Day Work - Street Lighting Improvements - Wentworth Avenue, Surry Hills**

We will soon start work to improve **Wentworth Avenue between Elizabeth Street and Liverpool Street, Surry Hills**. These works will improve reliability of the street lighting, maintain pedestrian safety, and enhance road user visibility in the area.

**Street:** Wentworth Avenue, Surry Hills  
**Section:** Elizabeth Street to Liverpool Street  
**Type of work:** Installation of smartpoles, underground electrical cables, road and footpath restoration.  
**Start date:** 28 January 2021  
**Duration:** Four months  
**Working Hours:** 7.30am to 5.30pm – Monday to Friday  
7.30am to 3.30pm - Saturday

We will take all steps to minimise any impact on you, however there will be some machinery noise, temporary restrictions to parking and alternate pedestrian access.

In the event of wet weather, the City's contractor will try to start the work the following day. If unsuitable weather continues, we will notify you of a change in scheduling.

Access to properties in the street will remain and we will contact you if we need to restrict access to progress part of the works.

Please note that the safety of our community, customers, staff and contractors, is our top priority. Rescheduling of works at short notice because of the current Covid-19 global pandemic may be required.

Thank you for your cooperation while we carry out these important works.
