

11 March 2022

Our Ref: 10427743

Street Improvements – Walker and Kettle Streets, Redfern

We will soon start work to improve **Walker Street from Phillip Street to Kettle Street, and Kettle Street from Walker Street to Elizabeth Street**. Work will be on the fenced vacant land side of the streets.

Type of work: Stormwater drainage improvements, kerb, gutter, and roadway renewal

Start date: Tuesday 15 March 2022

Duration: Two months

Working hours: 7:30am to 5.30pm - Monday to Friday
7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

The safety of our communities, customers and staff is our top priority. Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic.

Thank you for your patience while we complete these important works.
