**DAY AND NIGHT WORK - STREET IMPROVEMENTS – INTERSECTION OF
YOUNG STREET AND ALFRED STREET, SYDNEY**

We will soon start work to improve **the intersection of Young Street and Alfred Street, Sydney.**

Intersection: Young Street and Alfred Street, Sydney
Type of work: Upgrade traffic signals, granite paving ramps, kerb and gutter, tactiles, linemarking and signage.
Start date: 8 February 2021
Duration: Two months
Working Hours: 7.30am to 5.30pm – Monday to Saturday
7pm to 5am – Monday to Friday

We will take all steps to minimise any impact on you, however there will be some machinery noise, temporary restrictions to parking and alternate pedestrian access.

In the event of wet weather, the City's contractor will try to start the work the following day. If unsuitable weather continues, we will notify you of a change in scheduling.

Access to properties in the street will remain and we will contact you if we need to restrict access to progress part of the works.

Please note that the safety of our community, customers, staff and contractors, is our top priority. Rescheduling of works at short notice because of the current Covid-19 global pandemic may be required.

Thank you for your cooperation while we carry out these important works.
