## Street Improvements – Elizabeth Street, Sydney

We will soon start work to improve **the roadway on Elizabeth Street between King Street and Market Street, Sydney.**

### What work is being done?

- road resurfacing
- base repairs
- concrete gutter

### When will work start?

The City's contractor, Sydney Civil, will start work in about **two weeks**. Work will be carried out during the day **between 7:30am and 3:30pm on Saturday and Sunday**. All work is expected to take **six weekends** to complete, weather permitting.

### Will there be any disruption?

We will take steps to minimise any impact on you, however there will be some machinery noise, temporary restrictions to vehicle parking and alternative pedestrian access.

In the event of wet weather, work will commence the following day. If unsuitable weather continues, we will notify you of the change in scheduling.

Thank you for your patience while we carry out these important works.
