Night Works Street Improvements – O’Dea Avenue, Zetland

Sydney Civil will soon start work to improve the road surface of **O’Dea Avenue between South Dowling Street and Gadigal Avenue, Zetland.**

Street:	O’Dea Avenue, Zetland
Section:	South Dowling Street to Gadigal Avenue
Type of work:	Kerb and gutter renewal, in-road service pit adjustments, road resurfacing and renewal of road line marking
Start date:	12 April 2021
Duration:	Two months
Working hours:	8pm to 5am – Monday to Thursday

Please note that noisier works will cease by 11pm each night.

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next night. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
