DAY WORKS

STREET IMPROVEMENTS – PYRMONT BRIDGE ROAD, PYRMONT

We will soon start work to improve **Pyrmont Bridge Road between Pyrmont Street and Murray Street, including the intersection of Edward Street**. These works will increase pedestrian, bike and public transport access while improving safety and greening our streets.

Street:	Pyrmont Bridge Road
Sections:	Pyrmont Street to Murray Street Intersection of Edward Street
Type of work:	New pedestrian crossing, footpath paving, kerb, gutter, garden beds, access ramps, linemarking and street lighting for pedestrian crossing
Start date:	31 January 2022
Duration:	Three months
Working hours:	7:30am to 5.30pm - Monday to Friday 7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next night. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
