Day Works Street Improvements – Riley Street, Surry Hills

Sydney Civil will soon start work to improve **Riley Street between Campbell Street and Reservoir Street, Surry Hills**. These works will improve the footpaths and replace some of the hard surfaces with plants for the local community to enjoy.

Street:	Riley Street, Surry Hills
Section:	Campbell Street to Reservoir Street
Type of work:	Concrete footpath, kerb and gutter, garden beds and access ramps
Start date:	29 September 2021
Duration:	Three weeks
Working hours:	7:30am to 5.30pm - Monday to Friday 7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next night. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
