

5 March 2021

Our Ref: 10157701

**STREET IMPROVEMENTS – INTERSECTION OF CHALMERS STREET AND
BEDFORD STREET, SURRY HILLS**

Sydney Civil will soon start work to improve **the intersection of Chalmers Street and Bedford Street, Surry Hills**. These works will increase pedestrian, bike and public transport access while improving safety and greening our streets.

Intersection: Chalmers Street and Bedford Street, Surry Hills
Type of work: Traffic signals, continuous footpath treatment, access ramps, stormwater, concrete footpath, kerb, gutter, roadway, tactiles, linemarking and signage
Start date: 10 March 2021
Duration: Three months
Working Hours: 7.30am to 5.30pm – Monday to Friday
7.30am to 3.30pm – Saturday

Night works will be staged throughout the project and a letter notification will be distributed to the community of exact dates prior to these works.

We will take all steps to minimise any impact on you, however there will be some machinery noise, temporary restrictions to parking and alternate pedestrian access.

In the event of wet weather, the City's contractor will try to start the work the following day. If unsuitable weather continues, we will notify you of a change in scheduling.

Access to properties in the street will remain and we will contact you if we need to restrict access to progress part of the works.

Please note that the safety of our community, customers, staff and contractors, is our top priority. Rescheduling of works at short notice because of the current Covid-19 global pandemic may be required.

Thank you for your cooperation while we carry out these important works.

More information

For information on the site, and its impacts on you, please contact Sydney Civil's community relations team on 1300 997 858 or email community@sydneycivil.com

Yours sincerely

Winston Zhu
Project Coordinator
