

4 February 2022

Our Ref: 10365638

**STREET IMPROVEMENTS – INTERSECTION OF DEFRIES AVENUE AND
COOPER PLACE, ZETLAND**

We will soon start work to improve **the intersection of Defries Avenue and Cooper Place, Zetland**. These works will increase pedestrian, bike and public transport access while improving safety and greening our streets.

Street: Defries Avenue
Intersection: Cooper Place
Type of work: New raised pedestrian crossing, kerb extensions, garden beds, asphalt footpath, footpath paving, new stormwater pits and pipes, street lighting for pedestrian crossing and linemarking
Start date: 10 February 2022
Duration: Three months
Working hours: 7:30am to 5.30pm - Monday to Friday
7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next night. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
