

29 April 2021

Our Ref: 10195576

**STREET IMPROVEMENTS – INTERSECTION OF HARRIS STREET AND
UPPER FIG STREET, PYRMONT**

We will soon start work to improve **the intersection of Harris Street and Upper Fig Street, Pyrmont**. These works will make the footpath safer, more accessible and more pedestrian-friendly.

Intersection:	Harris Street and Upper Fig Street
Type of work:	Access ramps, stone kerb and gutter, asphalt roadway and tactile installation
Start date:	3 May 2021
Duration:	One month
Working Hours:	7.30am to 5.30pm – Monday to Friday 7.30am to 3.30pm – Saturday 8pm to 5am – Monday to Thursday

We will take all steps to minimise any impact on you, however there will be some machinery noise, temporary restrictions to parking and alternate pedestrian access.

In the event of wet weather, the City's contractor will try to start the work the following day. If unsuitable weather continues, we will notify you of a change in scheduling.

Access to properties in the street will remain and we will contact you if we need to restrict access to progress part of the works.

Please note that the safety of our community, customers, staff and contractors, is our top priority. Rescheduling of works at short notice because of the current Covid-19 global pandemic may be required.

Thank you for your cooperation while we carry out these important works.

More information

For information on the site, and its impacts on you, please contact Sydney Civil's community relations team on 1300 997 858 or email community@sydneycivil.com

Yours sincerely

Winston Zhu
Project Coordinator
