Our Ref: 10465440

Street Improvements – Danks Street, Waterloo

We are starting work to improve the kerb, gutter and footway in **Danks Street between Morehead Street and Young Street.**

Type of work: footway renewal, fixing damaged kerbs and gutters, garden beds and access ramps

Start date: Monday 29 August 2022

Duration: three weeks

Working hours: 7:30am to 5.30pm - Monday to Friday
7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
