**STREET IMPROVEMENTS – INTERSECTION OF ELIZABETH STREET AND GORDON STREET, PADDINGTON**

We will continue work to improve **the intersection of Elizabeth Street and Gordon Street, Paddington**. These works will increase pedestrian, bike and public transport access while improving safety and greening our streets.

<b>Street:</b>	Elizabeth Street
<b>Intersection:</b>	Gordon Street
<b>Type of work:</b>	Raised pedestrian crossing, new stormwater pits and pipes, concrete footpath, garden beds, tactiles and linemarking
<b>Start date:</b>	17 January 2022
<b>Duration:</b>	Two weeks
<b>Working hours:</b>	7.30am to 5.30pm – Monday to Friday 7.30am to 3.30pm – Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
