

26 February 2024

Our Ref: 10121490

Street Improvements – Harbour Street, Sydney

We will soon start work to improve the intersection of **Harbour Street and Pier Street, Sydney**.

Type of work: footway renewal, kerb, gutter, access ramps, lighting for pedestrian crossing and traffic signals
Start date: 4 March 2024
Duration: two months
Working hours: 8pm to 5am – Monday to Thursday

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
