

21 April 2022

Our Ref: 10345420

**Street Improvements – Pitt Street, Sydney**

We will soon start work to improve **the intersection of Pitt Street and Market Street, Sydney**. These works will make the footpath safer, more accessible, and more pedestrian friendly.

<b>Street:</b>	Pitt Street
<b>Intersection:</b>	Market Street
<b>Type of work:</b>	Upgrade of access ramps, constructing new stormwater pit and pipes, concrete gutter renewal and road restoration
<b>Start date:</b>	23 April 2022
<b>Duration:</b>	Four weekends
<b>Working hours:</b>	7.30am to 5.30pm – Saturday and Sunday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.

**More information**
