

5 February 2021

Our Ref: 10434762

**Work in your street**  
**Day Work – Drainage Improvements – Raglan Street, Waterloo**

We will soon start work to improve **Raglan Street between Cope Street and Pitt Street, Redfern**. These works will help improve stormwater drainage on the street.

<b>Street:</b>	Raglan Street
<b>Section:</b>	Cope Street to Pitt Street
<b>Type of work:</b>	Stormwater pit and pipes and fixing any damaged kerb and gutter
<b>Start date:</b>	10 February 2021
<b>Duration:</b>	Two months
<b>Working hours:</b>	7.30am to 5.30pm – Monday to Friday 7.30am to 3.30pm – Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
