## **Street improvements Day – Street Improvement Works – Rodens Lane, Millers Point**

We will soon start work to improve the stormwater on **Rodens Lane, Millers Point, Rear of 7-9 Dalgety Road.**

<b>Street:</b>	Rodens Lane
<b>Section:</b>	Rear of 7-9 Dalgety Road
<b>Type of work:</b>	stormwater improvements, raise and relay sandstone kerb, asphalt roadway and driveway renewal.
<b>Start date:</b>	12 February 2024
<b>Duration:</b>	three weeks
<b>Working hours:</b>	7.30am to 5.30pm – Monday to Friday 7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
