

13 March 2024
Our Ref: 10717954

Day – Street Improvement Works – St Johns Road, Glebe

Sydney Civil will soon start works on your street on behalf of the City of Sydney.

Street:	St Johns Road, Glebe
Intersection:	Mount Vernon Street
Type of work:	pedestrian crossing, kerb extensions, footpath widening inside Mount Vernon Street at bus stop, garden beds, concrete footpath, stormwater pit and pipes
Start date:	18 March 2024
Duration:	two months
Working hours:	7:30am to 5:30pm – Monday to Friday 7:30am to 3:30pm – Saturday

We will work to minimise impacts during this time. There will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works. We're working hard at transforming our streets and public spaces to make them safer, accessible and more inviting for everyone, especially people walking and riding bikes.

More information

For information about the site and its impacts on you please contact Sydney Civil community relations team on 1300 997 858 or email community@sydneycivil.com

Yours sincerely

Glen Hogan
A/Program Coordinator
City of Sydney Council
