

29 January 2021

Our Ref: 10389583

ALEXANDRIA LOCAL AREA TRAFFIC MANAGEMENT**Day – Street Improvements – Intersection of Mitchell Road and Anderson Street, Alexandria**

We will soon start work to **install the road closure at intersection of Mitchell Road and Anderson Street, Alexandria**

Intersection:	Mitchell Road and Anderson Street
Type of work:	New raised pedestrian crossing, garden beds, kerb and gutter, concrete footpath, kerb extensions, new trees, tactiles and linemarking.
Start date:	1 February 2021
Duration:	Three months
Working hours:	7.30am to 5.30pm – Monday to Friday 7.30am to 3.30pm – Saturday

Night works will be required, and further notification will be provided to the community prior to these works.

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

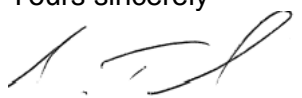

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
