

30 November 2021

Our Ref: 10494528

**STREET IMPROVEMENTS – INTERSECTION OF ANGEL STREET AND
NORFOLK STREET, NEWTOWN**

We will soon start work to improve **the intersection of Angel Street and Norfolk Street, Newtown**. These works will increase pedestrian, bike and public transport access while improving safety and greening our streets.

Street: Angel Street
Intersection: Norfolk Street
Type of work: Raised pedestrian crossing, stormwater pit and pipes, concrete footpath, garden beds, tactile installation and linemarking
Start date: 2 December 2021
Duration: Three weeks
Working hours: 7.30am to 5.30pm – Monday to Friday
7.30am to 3.30pm – Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
