STREET IMPROVEMENTS – COOK ROAD, CENTENNIAL PARK

We will soon start work to improve **the existing raised thresholds outside 70, 159 and 170 Cook Road, Centennial Park**. These works will make the road safer for vehicle drivers.

Street: Cook Road
Sections: Outside 70, 159 and 170 Cook Road
Type of work: Concrete raised thresholds, kerb, gutter, garden beds and linemarking
Start date: 7 October 2021
Duration: Six weeks
Working hours: 7.30am to 5.30pm – Monday to Friday
7.30am to 3.30pm – Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
