Our Ref: 10235017

STREET IMPROVEMENTS – INTERSECTION OF DARLINGTON ROAD AND GOLDEN GROVE STREET, DARLINGTON

We will soon start work to improve **the intersection of Darlington Road and Golden Grove Street, Darlington**. These works will increase pedestrian, bike and public transport access while improving safety and greening our streets.

Street:	Darlington Road
Intersection:	Golden Grove Street
Type of work:	Raised pedestrian crossing, street lighting pole, stormwater pit and pipes, concrete footpath, road resurfacing, kerb extensions, garden beds, tactile installations and linemarking
Start date:	6 September 2021
Duration:	Three months
Working hours:	7.30am to 5.30pm – Monday to Friday 7.30am to 3.30pm – Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
