Our Ref: 10289227

STREET IMPROVEMENTS – INTERSECTION OF LANG ROAD AND DRIVER AVENUE, MOOER PARK

We will soon start work to improve **the intersection of Lang Road and Driver Avenue, Moore Park**. These works will increase pedestrian, bike and public transport access while improving safety.

Street: Lang Road, Moore Park
Intersection: Driver Avenue
Type of work: Upgrade of traffic signals, concrete access ramps, street lighting poles, new stormwater pit and pipes, asphalt footpath, road resurfacing, kerb, gutter and linemarking
Start date: 29 March 2021
Duration: Three months
Working hours: 8pm to 5am – Monday to Friday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
