Our Ref: 10053945

STREET IMPROVEMENTS – PITT STREET, REDFERN

We will soon start work to improve **Pitt Street, Redfern between Cleveland Street and Wells Street**. These works will help improve stormwater drainage on the street.

Street: Pitt Street, Redfern
Section: Cleveland Street to Wells Street
Type of work: Installing stormwater pits and pipes and fixing any damaged kerbs and gutters
Start date: 27 January 2022
Duration: Three months
Working hours: 7.30am to 5.30pm – Monday to Friday
7.30am to 3.30pm – Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
