## **STREET IMPROVEMENTS – INTERSECTION OF EVE STREET AND COULSON STREET, ERSKINEVILLE**

We will soon start work to improve **the intersection of Eve Street and Coulson Street, Erskineville**. These works will increase pedestrian, bike and public transport access while improving safety and greening our streets.

### **What work is being done?**

- New continuous footpath treatment across Eve Street
- New raised pedestrian crossing across Coulson Street
- Street lighting poles for new pedestrian crossing
- Constructing new stormwater pits and pipes
- New concrete footpath
- Road resurfacing
- Existing tree to be removed
- Garden beds
- Kerb extensions
- Tactile installation
- Linemarking

**See overleaf for concept.**

### **When will work start?**

The City's contractor, Sydney Civil, will start work in about **two weeks**. Work will be carried out during the **day** between **7:30am and 5:30pm Monday to Friday, 7:30am and 3:30pm Saturday**. The work is expected to take about **two months** to complete, weather permitting.

### **Will there be any disruption?**

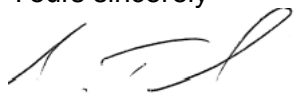

We will take steps to minimise any impact on you. However, there will be some machinery noise, temporary restrictions to vehicle parking and alternative pedestrian access. In the event of wet weather, work will commence the following day. If unsuitable weather continues, we will notify you of the change in scheduling.

Thank you for your cooperation while we carry out these important works.
