Day and Night Work - Street Improvements Sussex Street, Haymarket

We will soon start work to improve **Sussex Street, Haymarket between Liverpool Street and Goulburn Street**. These works will replace the existing asphalt footpath with new granite paving.

What work is being done?

- Granite footpath and driveway paving
- Fixing any damaged kerbs and gutters

When will work start?

The City's contractor, Sydney Civil, will start work in about **two weeks**. Work will be carried out during the **night between 7pm and 5am Monday to Friday** and during the **day between 7.30am and 5.30pm Monday to Saturday**. The work is expected to take about **three months** to complete, weather permitting.

Will there be any disruption?

We will take steps to minimise any impact on you. However, there will be some machinery noise, temporary restrictions to vehicle parking and alternative pedestrian access. In the event of wet weather, work will commence the following day. If unsuitable weather continues, we will notify you of the change in scheduling.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your cooperation while we carry out these important works.
