What work is being done?

- Road and footpath restoration

When will work start?

The City's contractor, Sydney Civil, will start work in about **two weeks**. Work will be carried out the **day** between **7.30am and 5.30pm Monday to Saturday**. The work is expected to take about **two months** to complete, weather permitting.

Will there be any disruption?

We will take steps to minimise any impact on you. However, there will be some machinery noise, temporary restrictions to vehicle parking and alternative pedestrian access. In the event of wet weather, work will commence the following day. If unsuitable weather continues, we will notify you of the change in scheduling.
