## **Night Works Street Improvements – O’Dea Avenue, Zetland**

We will soon start work to improve the road surface of **O’Dea Avenue between South Dowling Street and Gadigal Avenue, Zetland.**

### **What work is being done?**

- kerb and gutter renewal
- in-road service pit adjustments
- road resurfacing
- renewal of road line marking

### **When will work start?**

The City’s contractor, Sydney Civil, will start work in about **two weeks**. Work will be carried out during the **night between 8pm and 5am Monday to Thursday**. The work is expected to take about **two months** to complete, weather permitting.

Please note that noisier works will cease by 11pm each night.

### **Will there be any disruption?**

We will take steps to minimise any impact on you, however there will be some machinery noise, temporary restrictions to vehicle parking and alternative pedestrian access. In the event of wet weather, work will commence the following day. If unsuitable weather continues, we will notify you of the change in scheduling.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your cooperation while we carry out these important works.
