

12 January 2024
Our Ref: 10428619

Street improvements Day – Street Improvement Works – Murray Street, Pyrmont

Street: Murray Street, Pyrmont
Section: Intersection of Bunn Street
Duration: two months

Works being done:

- New pedestrian crossing
- Concrete kerb extensions
- Footpath renewal
- Access ramps
- Garden beds
- Street lighting

See overleaf for concept plan

The contractor, Sydney Civil will start work in about 3 weeks. Work will be carried out during the day between **7:30am and 5:30pm Monday to Friday, 7:30am and 3:30pm Saturday**. The work is expected to take about two months to complete, weather permitting.

We will work to minimise impacts during this time. There will be some machinery noise, temporary restrictions to vehicle parking and changes to access for people walking.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your cooperation while we carry out these important works.
