

24 June 2022

Our Ref: 10195458

**Night Work - Street Lighting Improvements – Clarence Street, Sydney**

We will continue work to improve **Clarence Street between Market Street and King Street, Sydney**. These works will improve reliability of the street lighting, maintain pedestrian safety, and enhance road user visibility in the area.

**Street:** Clarence Street  
**Section:** Market Street to King Street  
**Start date:** 29 June 2022  
**Type of work:** Road resurfacing  
**Working hours:** 8pm to 5am – Wednesday and Thursday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.

**More information**
