

30 January 2024

Our Ref: 10377826

## Street Improvements – Clarence Street, Sydney

We will soon start work to install granite paving on **Clarence Street between King Street and Barrack Street, Sydney.**

<b>Street:</b>	Clarence Street
<b>Section:</b>	King Street to Barrack Street
<b>Type of work:</b>	replace existing asphalt footpath with granite paving
<b>Start date:</b>	3 February 2024
<b>Duration:</b>	five weekends
<b>Working hours:</b>	7am to 5pm – Saturday and Sunday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.

### More information
